

OUR STORY

The Prime Rib was founded by brothers Buzz and Nick BeLer in Baltimore in 1965 — and we're proud to still be a family-owned business. The restaurant was born from their love of 1940s Hollywood style, legendary food, devoted service, and timeless sophistication — things we believe are meaningful, valuable, and transcendent.

That's why everything about the design, food, service, music, and experience of The Prime Rib is a celebration — of people, of the ordinary and extraordinary moments in life, and of the relationships we're grateful to build and nurture.
